

Dear colleagues and friends,

The project Accounting Rules for the Achievement of the Mitigation Goals of non-Annex 1 countries, and the Partnership on Transparency in the Paris Agreement (PATPA) invite you to participate in the Second Webinar of

the free webinar series

Tracking NDC achievement New accounting perspectives

Webinar 2:

NDC Progress through policies and measures

Tuesday 27th of June
15:00 hours Central European Time
(check the time at your place here)

Starting from countries' need for informed climate policy design and NDC implementation, this second webinar explores options for tracking NDC progress. This includes: the role of MRV systems, national GHG emission inventories, and tracking of policies and actions.

**You can enter the classroom
30 minutes before the webinar starts.**

For all users please click the following access link: [here](#)
